

Order of the Arrow Troop Representative

The *Order of the Arrow troop (or team) representative* serves as a communication link between the troop and the local Order of the Arrow lodge or chapter. By enhancing the image of the Order as a service arm to the troop, he promotes the OA in the troop while encouraging year-round and resident camping in the troop and participation of older Scouts in high-adventure programs. The OA troop representative assists with leadership skills training in the troop and supports fellow Arrowmen who undertake leadership roles in the troop. He reports to the assistant senior patrol leader.
